**Pastor's Holy Week Message**  
Fr. Gary Schlack, P.P.

The Liturgies in Holy Week bring us closer to the fundamental mystery of our faith - the Resurrection of the Lord. However we should not be too hasty to celebrate the Resurrection, lest we lose sight of a very important point. We will not be able to share in Our Lord's Resurrection unless we unite ourselves with Him in His Passion and Death. So during these days let us accompany Jesus in our prayers along his painful way to Calvary. We will do well to contemplate our Lord's Passion: in our personal meditation, reading the Gospel; in the sorrowful mysteries of the Rosary, in the Way of the Cross. Let us resolve never to deliberately commit even a venial sin and to put a little more love of God into all we do.

God Bless, Fr. Gary
