HOLY FAMILY CHURCH

# Building Update

The Building and Finance Committees of Holy Family Parish, would like to thank all who attended the June Information Meetings. It was wonderful to get the feedback of our parishioners. These meetings were held to explain that we do not have the financial resources to build the proposed addition. Holy Family is currently running a deficit. The collections are not covering our operating expenses. The priority of the Building Committee is to work on keeping our building safe and well maintained. The Finance Committee is closely monitoring monies spent versus what our collections bring in.

### **The following is a list of capital repairs urgently needed:**

- 1/Flat Roof
- 2/HVAC-pipe wrapping
- 3/Fire Panel
- 4/New Glass in Lenhard Room Windows
- 5/Bathroom in Rectory (Tub Replacement)

The Finance Committee is approaching the Diocese for approval to access the money in the One Heart One Soul account to do the above capital repairs.

### **Further Upgrades would include:**

- Painting Lenhard room, Narthex, Adoration Chapel
- New flooring in Narthex and Lenhard Room
- Replace Chairs in Lenhard Room & Adoration Chapel
- Kitchen redesign
- Replace Baseboard Heaters in Office with an HVAC unit
- Improve Lighting in Narthex
- Upgrade the Parish Website

The information sessions demonstrated the importance of having “town hall like” meetings as a means of communicating information to the parish. This allowed parishioners to ask questions and provide comments in a positive manner. We have a lot of work to do, with the help of our new Stewardship Committee and our Staff, which would include addressing the deficit, building unity, identifying the needs of our parish, just a few examples. We will keep you all apprised on the progress.
